KINGSPPOINT CLUB NEWS:

Hello!

Happy holidays everyone! Sending you warm wishes for a fun and festive season.

Thank you to all those who attended our annual Fall Workday on Saturday, Nov. 12, 2016, to clean up the Clubhouse grounds after the busy summer season. We had an excellent turnout with many highly skilled volunteers, as evidenced by almost completely rebuilt (and stained!) playset. The volunteers also enjoyed our first picnic on the Kingspoint Green. It was a lovely day to be outside with our neighbors.

The next night, Anne Allen hosted a lovely volunteers thank you party at the Clubhouse. The food, the music, and the company were all first-rate. We enjoyed the opportunity to let you know how much your support means to us. A huge thank you to Anne and Ken Allen and all those who pitched in to make it happen and make it so beautiful.

In the following year, we will continue to ask for your support and elbow grease to continue

to make the Club a success and an increasingly popular recreational spot in Williamsburg. As the end of our two-year term approaches in January, we encourage you to consider assuming the role of Club president (or co-president, as in our case). We are happy to talk with you about what the role involves and our lessons learned. It is a really wonderful way to get involved and get to know your neighbors and the history of the Club in this special neighborhood.

As always, the Club relies on your volunteer support to be successful. Our current needs are:

- **Social Committee Members** – This group staffs the volunteer groups that host our Clubhouse picnics throughout the summer. We welcome you to come up with other ideas for fun social events for Club members (potlucks, movie nights, etc.). This can be done by one individual or many. Perhaps you are interested in only planning events for adults? We can have multiple individuals who focus on different aspects of social life at the Club. Please reach out at kppresidents@gmail.com if this sounds interesting.
- **Welcome Wagon Volunteers**—We have lots of new Kingspoint families as homes continue to sell in our neighborhood. We are looking for volunteers willing to welcome new residents (perhaps with a sweet treat!) and educate them on Club membership. Contact kppresidents@gmail.com if you're willing to help.
- **Facilities Support** – Do you have an area you are particularly handy in? See something around grounds that you would like to fix? Can we call you if we need a one-off repair? We are grateful

for the help! Contact gmhend@wm.edu if you are interested.

- **Fundraising** – We would love to have a Club member will to promote fundraising activities for the Club. Please reach out at kppresidents@gmail.com if this sounds interesting.

As always, we are so thankful for all you do to support the Club.

Cheers,
Molly & Meredith

KINGSPPOINT CLUB MEMBERSHIP

Many thanks to everyone who has paid their 2016 dues. If you have an outstanding balance, please send in your payment as soon as possible. We would like everyone to be eligible to vote in January's annual stockholder meeting, and to do so you must have paid your 2016 dues.

We will soon be sending out the 2017 statements. As usual, you will have the option to pay in one installment (which helps reduce the time and labor of processing the checks) or if it is more convenient you can choose to pay in quarterly installments.

Best,
Tracy and Oli

KINGSPPOINT WOMENS' CLUB

Dianne Spearman, Maureen Orton and Molly Henry chat with our speaker, Melinda Cousins, from The Backyard Birder

Hungry birds will discover a lot more to eat in Kingspoint bird feeders this winter and the squirrels may suffer some disappointments, thanks to the helpful advice from Melinda Cousins of The Backyard Birder. Melinda showed members many types of bird feeders including some that are squirrel proof. She advised us what types of seed and other food stuffs we should put out to attract the kinds of birds we want and keep the squirrels away. Special thanks to our November hostesses Ann Milliman, Cathy Adams and Pinky Ford for the delicious food and to Ann Milliman for the beautiful table decoration,

Mark your calendars for our Christmas luncheon on Tuesday, December 13th at 12 noon at the Kingspoint Clubhouse. Please bring a salad to share. Members whose last names begin with the letters K and L, please bring a dessert. And do bring a neighbor who might be interested in joining us. Our hostesses for December will be Anne Allen, Emily McDowell, Sherry Welter and Sue Donaldson.

Our Christmas charity this year will be the Avalon Center for Women and Children. You can find a list of items they need on their web site. Or you can donate a gift card from Walmart, Target, Martins or make a cash donation.

And since there will not be another Crier before January, a reminder: **We will meet on Tuesday, January 17th at 10:00AM at the Kingspoint Clubhouse.** We have an outstanding speaker, Peggy Bellows, the editor of the Virginia Gazette. Mark your 2017 calendars.

KINGSPPOINT GARDEN CLUB

A big thank you to Elizabeth McCoy, as well as my neighbors Sarah and Heather, for inspiring us to have a slightly different tree lighting this year. Their Halloween party in our cul de sac was amazing! We will light up the cedar tree in our front yard (114 Overlook Drive), have cider and cookies, make luminarias, have music, and Santa will be present to hand out candy canes to all the children that come. *Of course, the community tree will be lit for everyone to enjoy and greet you as you drive in and out of our neighborhood.* If you would like to bring a little snack or finger food, all the better.

We will be having our garden club Christmas party at Winnie's home this year. **Our next meeting is January 10, 2017, 10 am, at the home of Miriam Mozingo. Morrison's Florist will be the presenter.** Miriam has a beautiful home and I am sure this will be a very interesting talk to inspire you in the cold of winter. Please consider coming if you are able. If you have ideas for the garden club please let us know.

My heavenly blue morning glories are still blooming, as is my angel trumpet tree which is now almost 10 feet high. Our garden is a constant source of amazement to us. We still have peppers as well as a peach colored ginger

lily bloom. We have been busy raking leaves and putting them in our compost pile to make more dirt, which comes in really handy. The plants love it. Also, Bartlett Tree Experts are trying to save our two white oak trees that have some sort of disease that I see other neighborhood trees suffering with. We put in our water fountain before the cold cracked it. This is a good time to look at your yard to see what needs to go inside. Emily recently gave me 2 beautiful ferns. I hung them by our bird feeders and the birds just love them, but of course they will need to go inside very soon as well. I even have 2 cherry tomato plants that the birds planted with cherry tomatoes on them. They are doing so well that I decided to plant next year's crop in the soil instead of in pots. We have already made room for them in Spring. Of course, containers work well too. Our last meeting about container gardening was quite interesting.

I hope that you will come to the lighting ceremony. It should be great fun!

CONGRATULATIONS

Former Southpoint Drive neighbor Annette Gross has been blessed with twin great grandsons, Jack and Lincoln (Jack is named after his great grandfather who died several years ago.) The new mother

and father are Casey and Keith Goldsby who live about 10 minutes from Annette, in Brickshire which is very near Colonial Downs. Keith is an IT guy with Bank of America in Richmond and Casey will be a stay-at-home mom (for sure!). Annette is very happy on the Teagle compound with her daughter, Heidi, and her husband, David, plus her grandson, Chandler who is 20. She actually comes into town about 4 days a week to go to Ironbound Gym, so she can still feel a part of her beloved Williamsburg.

NEW NEIGHBORS: Welcome!

*Neighbors please let Cathy Adams (as well as directory and membership) know when someone moves into the neighborhood: 220-2486, or cbtbka@cox.net.

*New neighbors please contact me @ cbtbka@cox.net with your email addresses so that I can add you to the Kingspoint Crier address group which will enable you to receive the monthly newsletter and any news blasts that I am requested to send. I can then pass on your information to our directory editor. If you are in need of a directory, we can arrange that too. **Please send me a paragraph about your family that you would like for me to include in the newsletter to introduce you to your neighbors.***

I look forward to hearing from you☺

Thank you, Cathy Adams (757-220-2486)

Kingspoint Neighborhood Association News

Photo by Elizabeth McCoy

Your Neighborhood Association will partner with the Kingspoint Garden Club and Kingspoint Women's Club to sponsor our first **Light the Night, Kingspoint!** Christmas street party on **Sunday, December 11 from 4:30-6:00 PM**, weather permitting. *Everyone is welcome at this free event.* Cookies and cider will be served, and neighbors are welcome to contribute finger foods to the party if they wish.

Santa will be on hand to hear those special Christmas wishes from young and old; and of course to pose for photos. Everyone can also decorate their own luminaria to carry with them. The electric tea light will give many hours of enjoyment for the rest of the holiday season.

This is a great opportunity for all of us to meet new neighbors and renew friendships with those we don't often see. We invite families to enjoy an evening walk together to enjoy the many beautiful Christmas lights and holiday decorations in our community. Those wishing to go **caroling** will find [Christmas carols on our KPNA website](#), some with printed lyrics, which can be played from your phone. Our webmistress, Anneliese Brei, adds music to this page from time to time, so check back often to see what's new.

Dress warmly, bring a yard chair if you wish, and **let's all join in the fun on Overlook**

Drive, and beyond, on December 11. *Our rain date is December 18, same time and place.*

We all can add a little light to the darkest nights of the season. *The Garden Club's traditional community Christmas tree at Kingspoint and Woodbine Drive will still be lit during the holidays for our enjoyment.* The Molineux family asked that the celebration be moved this one year due to new landscaping installed over the summer, which is not yet ready for foot traffic.

Volunteers have been hard at work at our neighborhood entrance over the past month. We appreciate their efforts, as always, to keep the grass trimmed, the leaves cleared away, and the litter picked up.

If you have more leaves than you can use, [JCC will pick up leaves in our neighborhood one day between December 12 and 16](#). Leaves must be in clear plastic bags left at the curb before 8:00 AM. We don't know which day the truck will come, and they'll make only one trip this year. Bulky items, like limbs, won't be accepted. You may [drop off your own bagged leaves at no charge](#) at the Jolly Pond center now through mid-January.

We appreciate all of the contributions and membership support we have received from neighbors this fall. *We can accomplish good things for our community when we work together.* Our Treasurer, Kirsten Kellogg, will continue to accept contributions through the end of December from anyone who has not yet joined the KPNA. **Every membership is important**, especially as we begin our entrance renovation project and prepare for winter weather.

Our **entrance renovation starts in January** as we begin to remove some of the overgrown Leyland Cypress trees and complete needed pruning of hardwood trees in that area.

There are plans, again this year, to have snow deeper than 4" removed from those major streets which help neighbors get in

and out of Kingspoint. We will publish more information on our website if a snow storm is forecast this winter.

The folks at VDOT assure us that **our access road project is still in queue**, although it has been delayed a bit. They still hope to complete it before the holidays. A dedicated right turn lane onto Rt.199 will help traffic flow leaving the neighborhood. VDOT has patched a number of pot holes for us recently, and **we've submitted work orders for more, which will be repaired soon.**

Contact any Board member if you find a pot hole in the neighborhood which as not yet been addressed. We've learned that VDOT evaluated all secondary pavement in the county this past year, in order to prioritize repaving projects, and their leadership is well aware that our streets need some major work.

Please extend a warm hand of friendship to Sarah and Jim Moore, and their daughter Lily, who moved into their new home at 107 Southpoint Drive last summer.

Our 2017 Kingspoint Directory will be published in February. **Please help us keep this directory accurate and up to date by sending us any corrections to your own information.** Take a moment to look up your own name in the alphabetical listing in the front half of the directory, and your street address in the back half. If you are not listed, or are not listed correctly; contact [Peggy Manning](mailto:Peggy.Manning@kingspoint.com) (784-0142).

A special "Thank you!" to everyone for helping us keep our neighborhood free of political signs during this election season. This has been a challenging election, as many of us have differing political points of view. **But we remain united** in our affection for our neighbors, our love for this very special community, and in loyalty to our country and the freedoms it guarantees.

If you've not yet joined our **Kingspoint Nextdoor** network, you may do so at <https://nextdoor.com/invite/akvnerwexvjkjhgfxvtt> . All you need do is verify your Kingspoint

address to join this free online neighborhood group.

Entrance Sign Dressed For the Holidays

Our very dedicated and talented team of floral designers, Georgette Deal, her daughter Jill, and Emily McDowell; have created elegant arrangements of evergreens, cones and fruit for our entrance. The Brei family helps transport and install the arrangements on our Kingspoint sign. This team of volunteers, supported by our Kingspoint Garden Club, provides lovely decorations for us every December, and we all enjoy their beauty during the holidays. We certainly appreciate all they do to dress our entrance for the season.

NEIGHBORHOOD WATCH

As the holidays approach, let's work together to keep ourselves, our guests, our homes, and our neighbors protected from unexpected difficulties.

Following is a short list of reminders gleaned from MPO Alan McDowell's much longer list of [Holiday Safety Tips](#), which you will find on the KPNA website.

1. **Keep purchases and packages out of sight.** This includes keeping purchases locked in your car's trunk, bringing deliveries indoors promptly, and keeping Christmas gifts and packaging out of sight from the street. Don't leave any valuables in your car, which might tempt someone to break in to get them.
2. **Make sure doors and windows are locked,** both at home and on your vehicle, including garage doors. Be very cautious of strangers approaching your home or your car. Notice anything that seems odd or unusual, or makes you uncomfortable.
3. **Notice who and what is around as you** approach your car in parking lots. Park in well lit areas, away from large vehicles.
4. **Consider putting interior and exterior lights on timers** if you will be away from home. Ask a neighbor to check on your home if you'll be away more than a few days.
5. **Remain alert for scams.** Don't give out your personal information easily, especially over the phone; and direct charitable giving to known, reputable groups.

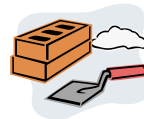

Sign Up for Professional Art Classes at the Clubhouse

The Kingspoint Club would like to offer Art Classes at the Clubhouse this fall if there is sufficient interest. The classes would be taught by Brandon Brown (See credentials below). The classes would consist of six 3 hour classes at \$25 per class.

At this time, these classes can only be offered to Kingspoint Club Members. We need a minimum of 4 Kingspoint Club Members in order to offer classes. If you are interested or have any questions, please send an email to kppresidents@gmail.com. We will work with Brandon to find a day and time that suites as many as possible.

Brandon Brown is a well-known artist who has had 23 one woman shows and won numerous awards. She taught painting for 25 years in her own art school in Memphis, TN as well as in continuing education classes for Memphis State University, Shelby State College, and Rhodes College.

She moved to Williamsburg 18 years ago and has continued to teach classes in several locations as well as at Christopher Wren. A versatile artist, Brandon teaches drawing, watercolor, pastel and oil.

Clubhouse Entrance Patio Bricks

The past few years we have welcomed many new families to the Kingspoint community. These families may not have thought about or known how to order a brick for the Clubhouse entrance. When we built the Clubhouse we conducted a "Fundraiser" that generated money to furnish the clubhouse. At that time we offered bricks with personal messages, and benches, trees, etc. and raised over \$20,000! This time we are ordering only bricks.

Personal messages have honored families, children, grandchildren, neighbors, former residents, individuals, who have passed on, and pets. For many of us it has served as a way to remember all the wonderful neighbors who make Kingspoint what it is. This is also a way to show your pride in your swimmers!

Ordering a brick is very simple and easy. We charge \$100.00 for a "STANDARD" brick (4"x8") which allows 15 characters per line (including spaces) and 4 lines of text. (Call me if you want a larger brick, 8"x 8".)

1. Check out bricks in the patio to get an idea for your brick.
2. Give me a call and I will help you with the wording. (The website where I order has a "brick creator" where I can make a digital brick and email it to you.) This is a very simple process that allows you to see what you are getting.
3. Send a check made out to me, Robert Hanny, for \$100.00. I will order your brick, pay for it and when your brick arrives I will cash your check and send the balance, usually \$60.00 to the club, (less my expense which includes the brick and shipping). A standard brick usually costs \$40.00 depending on how many bricks are in an order.
4. Bricks are usually shipped and received in 3-4 weeks. Weather permitting, I then install the brick.
5. My phone, 229-508. My email rbrt.hann@gmail.com

COMPASSIONATE CARE - *A* Simple Explanation

Presented by Ed Golden, President

Typically, there comes a time when seniors who have decided to "age in place" require assistance with non-medical care. This encompasses help with daily activities, allowing those seniors to remain living safely and independently. Professional caregivers can provide such attention. Some seniors need only a few hours per week of this care while others may require daily assistance. Non-medical care includes help with bathing and dressing, meal preparation, light housekeeping, transportation, medication reminders, and companionship. A host of other non-medical options are also available, meeting the individualized needs and desires of senior clients. To learn more, or to obtain these services for you or a loved one, contact your home healthcare provider.

Living alone at home in later years can be a real challenge. At COMFORT KEEPERS, our knowledgeable staff will help you in selecting the best solution for your needs. We can provide a wide range of home care and personal. Our many services also include light housekeeping, errands and shopping, and meal planning and preparation. We also provide home care to loved ones with Alzheimer's disease and dementia.
