KINGSPPOINT CLUB NEWS:

Hello!

We hope you are all enjoying the beautiful fall weather. This really is a lovely time to be a Virginian—more specifically, a Kingspointer! We will be hosting our annual Fall Workday on **Saturday, Nov. 12, 2016**, to clean up the Clubhouse grounds after the busy summer season. Please keep an eye out for the sign up genius. We'll need help power washing, raking, taking items out for donation, and handling other miscellaneous chores. Our spring workday was very well-attended this year – we hope to have an equally successful turnout this month. Lunch will be served for our hungry volunteers!

Speaking of volunteers, we will be honoring our volunteers with a fall get-together on Sunday, Nov. 13, 2016. Invitations were delivered last week. We looking forward to taking some time out to thank all of you personally and we hope you can make it. Anne Allen has single-handedly planned what we are sure will be a lovely evening with Club volunteers. Thank you, Anne!

Finally, as we noted in our note last week, the Kingspoint Green is officially GREEN! Thank you to all those of you who have donated to the project, as well as board member Danny Schmidt for his tireless dedication to seeing this project through from concept to coordination with the County to demo and seeding. There is no way this could have been possible without him.

If you haven't made a contribution yet, we need your support. Please mail checks to the following address with "Kingspoint Green" in the For line:

Kingspoint Club, Inc.
P.O. Box 365
Williamsburg, VA 23187

As always, the Club relies on your volunteer support to be successful. Our current needs are:

- **Social Committee Members** – This group staffs the volunteer groups that host our Clubhouse picnics throughout the summer. We welcome you to come up with other ideas for fun social events for Club members (potlucks, movie nights, etc.). This can be done by one individual or many. Perhaps you are interested in only planning events for adults? We can have multiple individuals who focus on different aspects of social life at the Club. Please reach out at kppresidents@gmail.com if this sounds interesting.
- **Welcome Wagon Volunteers**—We have lots of new Kingspoint families as homes continue to sell in our neighborhood. We are looking for volunteers willing to welcome new residents (perhaps with a sweet treat!) and educate them on Club membership. Contact kppresidents@gmail.com if you're willing to help.
- **Facilities Support** – Do you have an area you are particularly handy in? See something around grounds that you

would like to fix? Can we call you if we need a one-off repair? We are grateful for the help! Contact gmhend@wm.edu if you are interested.

- **Fundraising** – We would love to have a Club member who will promote fundraising activities for the Club. Please if this sounds interesting reach out at kppresidents@gmail.com.

As always, we are so thankful for all you do to support the Club.

Cheers,
Molly & Meredith

KINGSPPOINT WOMENS' CLUB

Members of the Kingspoint Women's Club gathered Tuesday morning, October 18th at the clubhouse. Our speaker was Diane Hartley, director of the Williamsburg office for the Peninsula Agency on Aging. She spoke about the many area resources available which allow seniors to "age with independence." Her talk was very informative and included an opportunity for club members to ask questions and make suggestions about ways to connect local seniors with services that promote independence. Many thanks to our October hostesses, Sally Burri, Jamie Peters and Adelaide Grattan for providing festive fall refreshments.

Our November meeting will be held at the clubhouse on **Tuesday, November 15th** at **10:00 AM**. Our speaker will be Melinda Cousins from The Backyard Birder. She will share her knowledge about winter bird feeding. November hostesses are Ann Milliman, Cathy Adams and Pinky Ford. We hope you can join us.

KINGSPPOINT GARDEN CLUB

Boy, am I glad I didn't yank up my heavenly blue morning glory vines. All summer long they have twined all over everything, including

our cedar tree 2/3 to the top, and all of a sudden I saw blooms! They are absolutely gorgeous. Gardens can be a real source of magic and surprise.

On **November 8, Tuesday, 10 a.m.**, we will be having a program about Container Vegetable Gardening by Dennis Wool with the Cooperative Extension Service.

The **48th Annual Christmas Tree Lighting** will be on **December 8, 7 p.m.** at 200 Woodbine Drive. Ann Hobson has graciously agreed to be the chairperson. Thanks Ann!

Some gardening ideas are collecting seeds and labeling them, having your soil tested to see if it needs any amendments, moving some herbs indoors (nice to have fresh herbs when cooking), leaving berries and seeds for the birds, planting trees and shrubs, keep watering your garden if it doesn't rain, shopping for plant bulbs (it is amazing the varieties you can find in the catalogs or online), dividing plants to include rhizomatous ones such as irises and daylilies, cutting perennials that might quickly spread by seed (unless you want them to), bring in houseplants (Ray has a big macho fern that I need to make room for in the living room and I have a philodendron that has become a jungle plant on the back porch), plant a fall garden with cool season veggies, annuals and spring blooming bulbs, plant pansies & violas (I recently got lots of violas and large pansies to spruce up the pots by my front door), plant garlic, if you have extra plants share them with others and begin a plant exchange, add compost and fresh soil (our leaf compost pile is a steady source of compost and our garden loves the mulch), relocate shrubs (I recently saw that our butterfly bush and hibiscus plants were in the shade so moved them to a sunnier location), appraise and plan (always a good time to do this, look at what you have, is it working, does it need moving, what did well, what didn't and go from there) and finally tidy up a little such as trimming boxwoods and other evergreens. I

wait to trim our yew shrubs until nearer the holidays so I can use the greenery for decorating. The ladies at the City wreath decorating love it. I also share my dried hydrangea blooms which add a nice touch to a wreath.

I hope this gives you some inspiration for your garden. It really can be a source of magic. Now I am off to the garden to admire the 3 heavenly blue morning glories in my front yard!

Yours in gardening,
Mary Grogan

Kingspoint Neighborhood Association News

Autumn view by Elizabeth McCoy

Neighbors' front porches adorned with pumpkins, chrysanthemums and holiday decorations remind us that **Halloween** comes next week. **Children 12 and under may Trick or Treat from 6-8 PM** on Monday evening. **Let's keep everyone's safety in mind** by **leaving our lights burning** to light the way. Since many of us have long, dark driveways,

we might consider sitting outside near the street, and visiting with neighbors, to greet Trick or Treaters if the weather is nice.

Our first ever [Kingspoint Nextdoor Trick or Treat map](#) allows you to announce in advance if you plan to give out Halloween candy this year. This is a great tool for parents as they plan their Trick or Treating route. If you've not yet joined our **Kingspoint Nextdoor** network, you may do so at <https://nextdoor.com/invite/akvnerwexvvkjhgfxvtt> . All you need do is verify your Kingspoint address to join this free online neighborhood group.

We appreciate everyone who has demonstrated their community spirit by supporting the Kingspoint Neighborhood Association again this year. With everyone's contributions and support, we move forward together to strengthen our community.

Your contributions are invested back into the ongoing work of the KPNA. We incur regular expenses as we print the Kingspoint Directory; paint, maintain and replace the street signs; support our Neighborhood Watch and care for our front entrance. *These activities benefit all neighborhood residents.* Our Treasurer, Kirsten Kellogg, will accept 2016 membership dues and contributions through December.

We want to thank each and every neighbor who [contacted Dominion Power to report our recent power outage](#) during Hurricane Matthew. Every call is important as it helps Dominion Power document the extent of the outage and prioritize their response. The link above takes you to their online reporting center, where you can both report and see the extent of an outage. You may also call at 888.667.3000 or 866.DOMHELP.

Please remember to vote on Tuesday, November 8, between 6 AM and 7 PM at Rawls Byrd Elementary School at 112 Laurel

Lane, near the Williamsburg-Jamestown airport. This is an important election as we not only vote for our next President; but we also choose our Congressional representative, a replacement representative to the Virginia House of Delegates, and decide two proposed amendments to our Virginia Constitution. ([See a sample ballot](#)) There is still time to [submit an Absentee Ballot](#) if you cannot make it to the polls on Election Day.

During this heated political season, we appreciate everyone's restraint in not posting political signs in their yards. It is our Kingspoint tradition to refrain from posting political advertisements in the community, and it is also in respect for our neighborhood Covenants. Let's all come home to a peaceful and beautiful community, free from reminders of national politics.

Please visit [our Neighborhood Association website](#) for news and useful community links. Webmistress Anneliese Brei now posts **photos of our message boards** as new signs about neighborhood events go up. Follow our site to receive the [latest news](#) as it is posted.

Sign Up for Professional Art Classes at the Clubhouse

The Kingspoint Club would like to offer Art Classes at the Clubhouse this fall if there is sufficient interest. The classes would be taught by Brandon Brown (See credentials below). The classes would consist of six 3 hour classes at \$25 per class.

At this time, these classes can only be offered to Kingspoint Club Members. We need a minimum of 4 Kingspoint Club Members in order to offer classes. If you are interested or have any questions, please send an email to kppresidents@gmail.com. We will work with Brandon to find a day and time that suites as many as possible.

Brandon Brown is a well-known artist who has had 23 one woman shows and won numerous awards. She taught painting for 25 years in her own art school in Memphis, TN as well as in continuing education classes for Memphis State University, Shelby State College, and Rhodes College.

She moved to Williamsburg 18 years ago and has continued to teach classes in several locations as well as at Christopher Wren. A versatile artist, Brandon teaches drawing, watercolor, pastel and oil.

Clubhouse Entrance Patio Bricks

The past few years we have welcomed many new families to the Kingspoint community. These families may not have thought about or known how to order a brick

for the Clubhouse entrance. When we built the Clubhouse we conducted a “Fundraiser” that generated money to furnish the clubhouse. At that time we offered bricks with personal messages, and benches, trees, etc. and raised over \$20,000! This time we are ordering only bricks.

Personal messages have honored families, children, grandchildren, neighbors, former residents, individuals, who have passed on, and pets. For many of us it has served as a way to remember all the wonderful neighbors who make Kingspoint what it is. This is also a way to show your pride in your swimmers!

Ordering a brick is very simple and easy. We charge \$100.00 for a “STANDARD” brick (4”x8”) which allows 15 characters per line (including spaces) and 4 lines of text. (Call me if you want a larger brick, 8”x 8”.)

1. Check out bricks in the patio to get an idea for your brick.
2. Give me a call and I will help you with the wording. (The website where I order has a “brick creator” where I can make a digital brick and email it to you.) This is a very simple process that allows you to see what you are getting.
3. Send a check made out to me, Robert Hanny, for \$100.00. I will order your brick, pay for it and when your brick arrives I will cash your check and send the balance, usually \$60.00 to the club, (less my expense which includes the brick and shipping). A standard brick usually costs \$40.00 depending on how many bricks are in an order.
4. Bricks are usually shipped and received in 3-4 weeks. Weather permitting, I then install the brick.
5. My phone, 229-508. My email rbrt.hann@gmail.com

FACEBOOK PAGE

Kingspoint neighborhood has its own Facebook Page to add info, photos, items for sale, invite neighbors to a last minute movie or bbq, post last minute updates for swim meets, cancellations, etc.

This Page is a "Closed Group", which means you have to "request" to be added to the Page (this prevents just anyone from joining the group and posting spam). But all residents are encouraged to request an invite!

Here is how you do this:

Type in the following URL address <https://www.facebook.com/groups/211852015632122/> . It will say it's a closed group, and then in the upper right corner, under the photo, you click on 'JOIN GROUP'. The Admin for the group will approve all KP residents! Please feel free to post "hello's", add photos, etc.

BOOK CLUB

Book worms wanted! This group meets every other month and meets in the evening. We've had some great discussion (and food)! To be added to the list, please contact Yvette Mardis at yvettemardis@cox.net .

COMPASSIONATE CARE - *A* Simple Explanation

Presented by Ed Golden, President

Typically, there comes a time when seniors who have decided to "age in place" require assistance with non-medical care. This encompasses help with daily activities, allowing those seniors to remain living safely and independently. Professional caregivers can provide such attention. Some seniors need only a few hours per week of this care while others may require daily assistance. Non-medical care includes help with bathing and dressing, meal preparation, light housekeeping, transportation, medication reminders, and companionship. A host of other non-medical options are also available, meeting the individualized needs and desires of senior clients. To learn more, or to obtain these services for you or a loved one, contact your home healthcare provider.

Living alone at home in later years can be a real challenge. At COMFORT KEEPERS, our knowledgeable staff will help you in selecting the best solution for your needs. We can provide a wide range of home care and personal. Our many services also include light housekeeping, errands and shopping, and meal planning and preparation. We also provide home care to loved ones with Alzheimer's disease and dementia.
