## KINGSPPOINT CLUB NEWS:

Hello!

Though there isn't yet a chill in the air, fall is very nearly upon us! Thank you to all those who joined us for our annual Labor Day Party at the Club to close out the season. It was wonderful to finally have a sunny day for a summer party and to get to see so many faces old and new. A special thanks to Kim Storms and Sally Burri, who organized the party, and to all those who so graciously volunteered their time to help with the party. We absolutely could not have done it without you!

As you may have noticed, the tennis court asphalt has been removed and the seed laid for our new, waterfront Kingspoint Green. This is such exciting progress! Our sincere thanks to board member Danny Schmidt for his dedication to the project.

If you have pledged a contribution (or if you would like to make a donation), please send checks at your earliest convenience to:

**Kingspoint Club, Inc.**  
P.O. Box 365  
Williamsburg, VA 23187

**Include "Kingspoint Green" in the 'For' line of all checks. *It's important that we receive pledged donations as soon as possible.***

**Please keep an eye out for an invitation to our volunteer thank you reception in early November, as well as a Fall Work Day at the Club to get the grounds cleaned up after a fun summer season.**

**In the meantime, enjoy the return to school and more routine schedules!**

Cheers,  
Molly & Meredith

## KP Club Volunteer Opportunities

As always, the Club relies on your volunteer support to be successful. Our current needs are:

- **Social Committee Members** – This group staffs the volunteer groups that host our Clubhouse picnics throughout the summer. We welcome other ideas for fun social events for Club members (potlucks, movie nights, etc.). In particular, we are looking for individuals interested in planning events for our adult members. Please reach out at [kppresidents@gmail.com](mailto:kppresidents@gmail.com) if this sounds interesting.
- **Welcome Wagon Volunteers**—With lots of new Kingspoint families, we are looking for volunteers willing to welcome new residents (perhaps with a sweet treat!) and educate them on Club membership. Contact [kppresidents@gmail.com](mailto:kppresidents@gmail.com) if you're willing to help.

## ELECTION OFFICERS NEEDED FOR NOVEMBER ELECTION

With the upcoming Presidential Election in November there is a need for new officers of election.

Officers need to report to the precinct in which they are working at 5 am and remain until all paperwork etc. is completed after the closing of the polls at 7 pm usually about 9 pm. While this is a long day the importance of having enough officers to efficiently operate the polls is of utmost importance for our citizens to exercise their right to vote. **IF YOU ARE WILLING TO HELP, PLEASE CONTACT THE JCC REGISTRAR'S office at 757-253-6868 or go to the office at Mounts Bay for more information.**

## KINGSPPOINT WOMENS' CLUB

If you are new to Kingspoint, or just have not gotten around to attending any meetings, please join us. We regularly meet in the morning on the third Thursday of the month.

We will be collecting our \$10 yearly dues and distributing our schedule of speakers and events. There will be a short business meeting,

then social hour and refreshments. The new officers for the 2016-2017 year are:  
Alice Lasher and Kim Storms, Co-presidents  
Ann Hobson, Communication  
Sherrie Chappell, Treasurer

## KINGSPPOINT GARDEN CLUB

Boy, am I glad it rained. You can almost see the landscape lifting to the sky from the nice drink it got. We had a very good meeting this month with Melinda Cousins, the owner of the Backyard Birder, giving an excellent program. Our program next month will be Denise Green of Sassafras Farm giving a talk about landscaping for pollinators. It will be **Tuesday, October 11 at 1 pm at Our Saviors Lutheran Church in Norge.**

I am grateful for the rain and the cooler weather. That means it is easier to work in the garden. You might think about cleaning out dead plants and seed heads; however, they are very important to birds, insects and other wildlife. My wild morning glory plants that have grown all over my dried up cherry tomato plants are a haven for hummingbirds. I had the distinct pleasure of visiting the garden and watching 2 hummingbirds hovering over them in absolute delight. A very tidy garden might be seen as a wasteland for wildlife. Consider leaving it a little less tidy, and leave stems and leaves and fallen branches for insects and animals to hide in, plus it is less work. In general, it is a good time to use up your remaining compost and begin starting a new pile with the leaves that are beginning to fall; stop pruning so you won't encourage new growth and stop fertilizing (for the same reason) except for your lawn. Pull spent veggie crops, plant quick-growing veggies such as spinach, lettuce, carrots, beans and kale; harvest your herbs, save seeds and start planting garlic. Once it gets a little colder you can plant spring blooming bulbs such as tulips, daffodils and crocus. Dig up frost sensitive

plants and summer bulbs and store somewhere cool and dry. Plant fall flowers such as pansies, mums and snapdragons. Leave goldenrod standing for the insects and leave seed heads of flowers such as coneflower, Black-eyed Susan and sunflowers for the birds.

Until next month.....

Yours in gardening,  
Mary Grogan

**LITTLE DOLPHINS**

A few parents got together to form "Little Dolphins", a Kingspoint playgroup for babies through preschoolers who have now aged to being toddlers to early elementary school-aged. You can find them on Facebook under "Little Dolphins". If you are interested in joining please e-mail Tracy Sohoni at [tracep@yahoo.com](mailto:tracep@yahoo.com).

**MAGNIFICENTMELODIES**  
**FREE RECITAL**

**Magnificent Melodies:** a vocal recital of three local sopranos --

Claudia Kessel (Kingspoint resident), Sarah Frook Gallo, and Jennifer Phillips. Featuring selections from Bach's Magnificat, Vivaldi's Gloria, opera arias, art songs, and Broadway. **Saturday, October 29 at 4:00pm at Williamsburg United Methodist Church** (500 Jamestown Road). Free concert with suggested donations to benefit Elliot's Song, the outreach program of the Early Childhood Music School at WUMC.

**NEW NEIGHBORS: Welcome!**

\*Neighbors please let Cathy Adams (as well as directory and membership) know when someone moves into the neighborhood: 220-2486, or [cbtbka@cox.net](mailto:cbtbka@cox.net).

*New neighbors please contact me @ [cbtbka@cox.net](mailto:cbtbka@cox.net) with your email addresses so that I can add you to the Kingspoint Crier address group which will enable you to receive the monthly newsletter and any news blasts that I am requested to send. I can then pass on your information to our directory editor. If you are in need of a directory, we can arrange that too. **Please send me a paragraph about your family that you would like for me to include in the newsletter to introduce you to your neighbors.***

*I look forward to hearing from you☺  
Thank you, Cathy Adams (757-220-2486)*

**BRIDGE ANYONE?**

All club members are invited to join us for bridge at the clubhouse on Monday mornings from 9 a.m. to noon. It's a friendly low-stress environment. It doesn't matter if it's been years since you last played and you think your skills are a little "rusty." Sign up and give it a try. Start your week off having a fun time with your neighbors! Call Dee Snow, 229-9699, or e-mail her at [gildees@verizon.net](mailto:gildees@verizon.net) no later than Friday if you would like to play the following Monday. We fill tables in the order that players sign-up.

**Kingspoint Neighborhood Association News**

*We appreciate the support of everyone who has already responded to our 2016 membership drive for the Kingspoint Neighborhood Association. It is only through everyone's contributions and support that we move forward together as a community.*

We hope that all of our neighbors will join the KPNA, and will volunteer in the community as they are able. **The strength of our Kingspoint community depends on the relationships we cultivate with one another.** The Neighborhood Association welcomes all neighborhood residents who choose to join us.

It was created to give all property owners and renters a voice in the life of the community.

Our \$25.00 membership dues remain very low, and we do as much as we can with volunteer labor. We appreciate the generosity of those who make an additional contribution to this work. And we urge those neighbors who have not joined in recent years, to join us this year. **Our Treasurer, Kirsten Kellogg, will accept 2016-17 dues and contributions through the end of the year.**

**Your contributions are invested back into the ongoing work of the KPNA.** We incur regular expenses as we print the Kingspoint Directory; paint, maintain and replace the street signs; and care for our front entrance. *These activities benefit all neighborhood residents.*

**Earlier this year, the KPNA began planning an extensive renovation of our front entrance area.** The existing Andorra Junipers are failing for a variety of reasons. All of the Junipers will eventually be removed and replaced with a variety of shade tolerant, low-maintenance evergreen shrubs. This part of the project will prove the most costly.

Eight Leyland Cypress trees were planted decades ago to screen the pump house and serve as a backdrop to the Kingspoint sign. Now, they have begun to overgrow their space. There is no practical way to cut them back, and they are crowding and shading other plants in the landscape.

These shallow rooted trees, which can rapidly grow to over 100' tall, are very susceptible to breaking or blowing over in a storm. It is time to remove these trees, a few at a time, to allow the hollies and hardwoods near them to mature. We will eventually plant other evergreen trees for additional screening of the pump house as needed.

**We expect to begin work on the entrance renovation in early spring, with some**

**pruning and removal of diseased shrubs.** The KPNA Board decided, at our meeting earlier this month, to create a dedicated fund for those contributions earmarked for our front entrance renovation. We will wait to replant new evergreen shrubs until we have saved enough to cover the entire job. We plan to complete this project by 2020.

**If funds allow, we will consider lighting the front entrance sign again for the first time in over a decade, once the renovation is complete.** We understand that some neighbors favor lighting the sign, while others have concerns about lighting our entrance at night. *If you have a strong opinion one way or another, please share your thoughts with any Board member.*

**We appreciate the efforts of all our front entrance volunteers who continue to care for the entrance through this summer's heat.** We won't allow this to be a "thankless job," and hope you will express your appreciation to Chris Bonday, Tom Mahone, Benson Dexter and Steve Houff when you see them. The drought has brought us an early fall, with leaves dropping everywhere. Our volunteers are keeping the leaf litter blown away even as the grass still needs cutting.

Thanks to a neighbor's suggestion, we are adding some discrete '**No Soliciting**' signs to our Neighborhood Watch signs. *Please help discourage anyone you see going door to door through the neighborhood.*

**During this heated political season, we appreciate everyone's restraint in not posting political signs in their yards.** It is our Kingspoint tradition to refrain from posting political advertisements in the community, and it is also in respect for our neighborhood Covenants. Let's all come home to a peaceful and beautiful community, free from reminders of national politics.

**Please welcome James and Michelle Pendleton** who are moving in at 102

Crownpoint Road. We will look forward to introducing them in a future Crier.

**There are plans, again this year, to have snow deeper than 4” removed from those major streets which help neighbors get in and out of Kingspoint.** We will publish more information on our website if a snow storm is forecast this winter.

Visit [our Neighborhood Association website](#) for news and useful community links. Webmistress Anneliese Brei now posts **photos of our message boards** as new signs about neighborhood events go up. Follow our site to receive the [latest news](#) as it is posted.

**NEIGHBORHOOD WATCH**

**IRS Scam-** A few neighbors have received threatening phone calls from thieves claiming to be with the IRS. The IRS will NEVER call or email to inform you of an audit or other problem. They use the US mail and contact you on official letterhead. Please ignore any phone message claiming to be from the IRS. These crafty thieves may also claim to be with other

government or credit agencies. Please remain skeptical of such calls.

**There is a 'No Soliciting' sign** on the message board at our entrance, which stops some of this traffic. We saw a difference when that message board was down for a few days! Please discourage anyone coming to your door asking for money or soliciting your business.

**MPO Connors asks us to remember,** “... *be VERY cautious hiring anyone who comes to your home as they usually are not licensed or insured, which means if they cause damage or start a job and don't finish it there is little recourse that could occur. Also ... be mindful that it is not someone trying to case your residence to see what kind of belongings you have and/or the layout of your home along with what security measures you have.*”

Some **neighbors have had problems recently with workmen** driving around and looking for someone to hire them to do yard work, painting, or home repairs. These strangers are trying to make quick money and sometimes insist on working, or they press for more than the agreed upon wage when the work is completed. Please be cautious when hiring contractors. Remember to ask for proof of insurance, proper licensing, and references. **Hire only those you know you can trust.**

**If you see something suspicious going on, please don't just ignore it.** Alert your Neighborhood Watch leader or the police. For non-emergencies, contact Community Services Officers MPO Kelly Connors at 603-6023 or MPO Alan McDowell at 603-6026. Or call the police non-emergency number at 253-1800 and the dispatcher will have an officer call you back to take a report.

**Remember to keep your car locked and valuables out of sight.**

**We still need Zone Leaders** in parts of the neighborhood. *Call 404.3563 to volunteer.*

**Clubhouse Entrance Patio Bricks**

The past few years we have welcomed many new families to the Kingspoint community. These families may not have thought about or known how to order a brick for the Clubhouse entrance. When we built the Clubhouse we conducted a "Fundraiser" that generated money to furnish the clubhouse. At that time we offered bricks with personal messages, and benches, trees, etc. and raised over \$20,000! This time we are ordering only bricks.

Personal messages have honored families, children, grandchildren, neighbors, former residents, individuals, who have passed on, and pets. For many of us it has served as a way to remember all the wonderful neighbors who make Kingspoint what it is. This is also a way to show your pride in your swimmers!

Ordering a brick is very simple and easy. We charge \$100.00 for a "STANDARD" brick (4"x8") which allows 15 characters per line (including spaces) and 4 lines of text. (Call me if you want a larger brick, 8"x 8".)

1. Check out bricks in the patio to get an idea for your brick.
2. Give me a call and I will help you with the wording. (The website where I order has a "brick creator" where I can make a digital brick and email it to you.) This is a very simple process that allows you to see what you are getting.
3. Send a check made out to me, Robert Hanny, for \$100.00. I will order your brick, pay for it and when your brick arrives I will cash your check and send the balance, usually \$60.00 to the club, (less my expense which includes the brick and shipping). A standard brick usually costs \$40.00 depending on how many bricks are in an order.
4. Bricks are usually shipped and received in 3-4 weeks. Weather permitting, I then install the brick.
5. My phone, 229-508. My email [rbrt.hann@gmail.com](mailto:rbrt.hann@gmail.com)

**FACEBOOK PAGE**

Kingspoint neighborhood has its own Facebook Page to add info, photos, items for sale, invite neighbors to a last minute movie or bbq, post last minute updates for swim meets, cancellations, etc.

This Page is a "Closed Group", which means you have to "request" to be added to the Page (this prevents just anyone from joining the group and posting spam). But all residents are encouraged to request an invite!

**Here is how you do this:**

Type in the following URL address <https://www.facebook.com/groups/211852015632122/> . It will say it's a closed group, and then in the upper right corner, under the photo, you click on 'JOIN GROUP'. The Admin for the group will approve all KP residents! Please feel free to post "hello's", add photos, etc.

**BOOK CLUB**

Book worms wanted! This group meets every other month and meets in the evening. We've had some great discussion (and food)! To be added to the list, please contact Yvette Mardis at [yvettemardis@cox.net](mailto:yvettemardis@cox.net) .

If your neighbor mentions that they are not receiving their electronic version of the Crier, please have them email me @ [cbtbka@cox.net](mailto:cbtbka@cox.net) as their email address may have changed, and I have not been notified.☺ Thank you.

# COMPASSIONATE CARE - *A* Simple Explanation

*Presented by Ed Golden, President*

Typically, there comes a time when seniors who have decided to "age in place" require assistance with non-medical care. This encompasses help with daily activities, allowing those seniors to remain living safely and independently. Professional caregivers can provide such attention. Some seniors need only a few hours per week of this care while others may require daily assistance. Non-medical care includes help with bathing and dressing, meal preparation, light housekeeping, transportation, medication reminders, and companionship. A host of other non-medical options are also available, meeting the individualized needs and desires of senior clients. To learn more, or to obtain these services for you or a loved one, contact your home healthcare provider.

Living alone at home in later years can be a real challenge. At COMFORT KEEPERS, our knowledgeable staff will help you in selecting the best solution for your needs. We can provide a wide range of home care and personal. Our many services also include light housekeeping, errands and shopping, and meal planning and preparation. We also provide home care to loved ones with Alzheimer's disease and dementia.
