## KINGSPPOINT CLUB NEWS:

Greetings Neighbors!

We had a very successful workday on Sunday, the 15<sup>th</sup>, with help from many of our club members and neighborhood kids. Thank you to Dave Stanhope for organizing a great event. We accomplished spreading lots of mulch, putting in some new plantings around the clubhouse, cleaning the swim team closet and building shelves in it, cleaning and organizing the office and kitchen, taking down two trees that were threatening to fall, securing some planks on the dock, and setting posts for the new kayak/canoe racks, among other things. The racks should be complete in the next few weeks, and we will select this year's recipients of canoe/kayak rack space at the Memorial Day picnic on May 28th.

In other news, we are pleased to announce our newest key member to the club board - Ruth Ann Redbird will be taking over Clubhouse Coordinator and scheduling duties from Judy Shubert and Jamie Peters. We are grateful to Judy and Jamie for coordinating the clubhouse

use for the previous years. Judy has been helping get Ruth Ann up to speed, and Ruth Ann will be taking over completely in the next few weeks. Thanks to Ruth Ann for taking on this critical position! We have set up a new email account just for club reservations ([kpclubrentals@gmail.com](mailto:kpclubrentals@gmail.com)) and will soon be posting clubhouse availability on the website using a google calendar.

Be on the lookout for news about our Memorial Day Picnic coming up in only a few weeks. If you are interested in helping with any part of it, please let us know. It's a big event and we can use as much assistance as we can get!

Enjoy the spring weather!

**MEMORIAL DAY PICNIC**

The Kingspoint Club invites you to attend our Memorial Day Picnic at the Clubhouse on **Monday, May 28th, at 2:00 PM** to kick off another fun summer at the Club.

Hot dogs, hamburgers, chips, and lemonade will be provided.

Families with last names beginning with A-F are asked to bring a dessert; those with last names beginning with G-Z are asked to bring a side dish or salad to share.

The cost is \$5 for adults, \$3 for children under the age of 12. Total maximum cost per family is \$15.

There will be another opportunity this year to give back to our military and their families. This Memorial Day, in support of children and families who have lost a parent in the military, we are asking that you consider donating to Knights of Heroes (see info below). Donations can be sent directly to the foundation (<http://knightsofheroes.org/>) or you can give a donation to Sarah Huber at the Memorial Day Picnic and she will send it to the Foundation. Sarah's brother is an AF Lieutenant Colonel and very active in the organization.

**About the Knights of Heroes Foundation**

Knights of Heroes (KOH) is a non-profit foundation that seeks to empower children who have lost their fathers during military service by providing positive adult mentorship, character development, and lasting friendships, which are forged during an annual wilderness adventure camp.

KOH hosts families with common losses allowing them to share experiences and build

relationships while increasing public awareness and ensuring that families with losses are not forgotten with the passage of time. KOH objectives include teaching children to be responsible, proactive, boundless, bold, and to exercise leadership.

Each summer, families with children between the ages of 11 and 17 are invited to attend at absolutely no cost. The KOH camps are staffed entirely by volunteers, including Air Force Lieutenant Colonel Charles Huber, the brother of Kingspoint resident Sarah Huber, who has been helping with camps since the inception of KOH.

### Kingspoint Dolphins Swim Team

**Calling all Swimmers!  
Registration has started!**

We're looking forward to another fun and exciting summer season! For new families in the neighborhood, swim team is a great chance for kids 4-18 to get some exercise, hang out with neighborhood kids, and learn to swim like a pro! Evening practices start after Memorial Day weekend. The team has morning and evening practices once school

ends to accommodate summer schedules and swim meets run through the third week in July (with an early August championship meet for swimmers with qualifying times).

We are also looking for sponsors from members and local businesses interested in supporting our swim team for the 2018 swim season! Sponsorship funding will be utilized to help the team offset costs of coach's salaries, team equipment, supplies, and fees for the team to compete in the Virginia Peninsula Swim Union for the 2018 swim season. If interested, email [kpswimteam@gmail.com](mailto:kpswimteam@gmail.com)

Please visit the Kingspoint Swim Team website for more information, practice times, schedule, sponsorship info, and online registration at <https://kingspoint.swimtopia.com/>

### **KINGSPPOINT EASTER EGG HUNT**

It looked like Coney Island. I counted at least 50 kids, which was hard to do as they were in constant motion over the whole landscape. Inga did a magnificent job from early planning stages through to the end. Thank goodness for email! And the weather cooperated, not a small feat given it was snowing again just a few days ago; even though Jamie is far away, her power still holds sway. Thanks to everybody—and **ESPECIALLY Inga--** for the very successful Cove Road Effort. Anne Allen

**NEIGHBORLY REMINDERS**

**NO MORE MULCH VOLCANOS**

There has been an outbreak of mulch volcanos in the Williamsburg area. Piling a lot of mulch up around the base of a tree keeps the

bark of the tree wet and sets up an environment for insects and diseases to move in. Mulch should be pushed back several inches from the base of the tree. But, spreading mulch around the base of the tree is very beneficial. It prevents competition from weeds and grass and helps to conserve moisture in the soil. Also it protects trees from accidental damage by mowers and weed whackers. 2 to 4 inches of mulch is plenty.

For more good information, see “Springtime Mulching.” [https://ext.vt.edu/lawn-garden/turfandgardentips/tips/Springtime\\_mulch.html](https://ext.vt.edu/lawn-garden/turfandgardentips/tips/Springtime_mulch.html)

**LITTLE DOLPHINS**

A few parents got together to form "Little Dolphins", a Kingspoint playgroup for babies through preschoolers who have now aged to being toddlers to early elementary school-aged. You can find them on Facebook under “Little Dolphins”.

If you are interested in joining please e-mail Tracy Sohoni at [tracep@yahoo.com](mailto:tracep@yahoo.com).

**KINGSPPOINT NEIGHBORHOOD ASSOCIATION NEWS**

**Our Kingspoint neighborhood is especially beautiful this time of year**, filled with budding trees and flowers. Many thanks to everyone who has pitched in this month with their own clean-up and landscaping efforts at home or in the larger community, as we all prepare for warmer weather.

**Earth Day falls at the end of April each year.** Why not celebrate by planting a new tree or

**BRIDGE ANYONE?**

All club members are invited to join us for bridge at the clubhouse on Monday mornings from 9 a.m. to noon. It’s a friendly low-stress environment. It doesn’t matter if it’s been years since you last played and you think your skills are a little “rusty.” Sign up and give it a try. Start your week off having a fun time with your neighbors! shrub in your yard? This is a positive step we can each take to improve our environment. **Commit your own “Act of Green” in celebration of this 48<sup>th</sup> Annual Earth Day.**

Our Neighborhood Association volunteers continue work at our entrance. **Many thanks to Gary Gordon and Ann Hobson** as they prepare our new trees, shrubs, and grass for spring. **Thanks also to Chris Bonday and Tom Mahone** for all of their hard work to keep our entrance mowed, trimmed and neat.

**Our Neighborhood Association Past-President, Timothy Murphy, is retiring from the Board this month after more than 20 years of service to our community.** We appreciate all that Tim has done for Kingspoint during his tenure on the Board, and will miss his leadership and wise counsel.

**Thanks to everyone participating in Kingspoint Yard Sale Day on May 5.** The Neighborhood Association will sponsor the sale from 8 AM to 2 PM. Please remember to check out the Swim Team's sale at the clubhouse as you visit neighbors' sales that day.

**Families who register their yard sale will be included on a neighborhood map,** with a list of the types of items they plan to sell. **These maps will be available to neighbors and visitors, at our entrance, that morning.** The DAV is sending a truck to pick up any items that families wish to donate at the end of the day.

**We need volunteers** on Friday evening to help set up signs and hand out balloons. **We also need greeters** who can donate an hour or so to hand out maps and answer questions at the neighborhood entrance on Saturday. Please get in touch with any KPNA Board member to volunteer.

**We appreciate everyone who has supported the Neighborhood Association and our front entrance renovation efforts this year.** We

expect to replace the remaining junipers this autumn and have earmarked any monies left over, after taking care of expenses for the yard sale, towards this project.

**Please remember to share our neighborhood streets with caution and courtesy,** whether you are walking, biking or driving. Warm weather brings us outdoors where we can expect to encounter more neighbors on our streets. Watch for playing children on many side streets and more pets along the way. Please remind your guests to drive cautiously in Kingspoint, and to respect **our 25 mph speed limit.**

If you have unused, expired or **unneeded prescription drugs** in your cabinet, you may dispose of them next **Saturday, April 28, at the JCC Police Drug Take Back Program** held between 10:00 AM and 2:00 PM at the Law Enforcement Center, 4600 Opportunity Way. This anonymous 'drive through' event, held in cooperation with the DEA, allows county residents to properly dispose of solid (pills or capsules) prescription drugs. No questions will be asked. Liquids, sharps, OTC drugs and illegal drugs cannot be accepted.

**A Shred a Thon,** sponsored by our county **police department** is scheduled for **May 19** from 8:30 to 11:30 AM at the courthouse on Monticello Avenue. The first bag is free, and additional bags will cost \$5 each to drop off. Proceeds go to support community outreach activities. Please check the details if you plan to participate.

*Please continue to let us know when new neighbors arrive near you.* We want to welcome all new neighbors and bring them a current Kingspoint Directory.

Please visit our KPNA website for news and useful community links. Webmistress Anneliese Brei regularly updates the site with new information and posts **a link to the digital Crier** each month.

**Neighborhood Watch**

Earlier this month, we heard about an individual, supposedly from 'the gas company,' knocking on neighbor's doors requesting to check for gas leaks.

We have also heard about someone going door to door after dark this past week, requesting to post an ADT sign in neighbors' yards.

If anyone comes to your door to offer a service or sell you something, please ask for their credentials and identification. If you aren't satisfied, and the request feels suspicious, then ***please report the incident to the non-emergency number (253.1800) and ask for a patrol to come and check them out.***

Your quick thinking may help protect a neighbor down the street. Let's all work together so that everyone feels safe at home.

**Wishing you had joined Yard Sale Day?**

***You still have time.*** We will continue to accept registrations through Sunday. Please call or email Elizabeth McCoy to be added to the list, and drop your registration fee off to Treasurer Kirsten Kellogg.

We've lined up lots of publicity, and there will be over a dozen yard sales in the community next Saturday morning (May 5) in addition to the Swim Team's fundraiser tag sale at the Clubhouse.

There is still time to get involved! **We also need volunteers to serve as greeters at the entrance**, handing out maps of the sales and answering questions. If you can donate an hour or two to greet visitors to Kingspoint during the yard sales, please contact me or any member of our KPNA Board.

### **Kingspoint Plant of the Month: Dogwood**

Our native dogwood, *Cornus florida*, illuminates our community with its white or pink blossoms each April. This beautiful understory tree thrives in sun to partial shade, and is interesting every day of the year. April flowers are followed by attractive leaves which turn scarlet in autumn. Red berries appear by late summer, and in winter, gnarled branches hold the buds for next spring's flowers. Graceful and exceptionally strong, dogwoods only reach 20'-30' tall. They are rarely damaged by high winds.

Dogwoods support a variety of wildlife as pollinators seek nectar, and songbirds find shelter and feed on their berries. They serve as host plants for over 100 species of butterflies and moths. Dogwood is the state tree and state flower of Virginia, and is also the Virginia Native Plant Society's Wildflower of the Year for 2018.

Dogwood trees rarely interest grazing deer and have adjusted to our soil and climate, often cropping up in the garden from nature-sown seeds. You will also find other dogwood species available at some garden centers, including the native *Cornus alternifolia*, *Cornus amomum*, and cultivars of the Asian *Cornus kousa*, which bloom a little later in the spring.

Plant a dogwood tree with confidence, knowing it will survive and thrive in our neighborhood!
